

Charnwood Athletic Club

Membership & Training Fees 1st March 2017 to 28th February 2018

Charnwood AC aims to provide high class competition, training facilities and coaching for athletes of a wide range of age and ability. We are a non-profit making organisation. None of the coaches, officials, team managers, committee members, clubhouse staff or any other helpers are paid. The wonderful facilities we use do not belong to us but have to be hired, at a cost of many thousands of pounds per year. Our members provide our only source of income.

We work on the principle of low annual membership and payment according to use. This year it is proposed that there will be an increase in membership fees but no increase in training fees. Please note that UKA have increased individual affiliation fees by £1.00 for 2017 and this now makes the fee £14.00.

The Club unfortunately cannot absorb the increase this year and hence the increase in Membership fees.

Membership Renewal Fees

Membership renewal subscriptions are due on 1st March 2017 for the year ending 28th February 2018 as follows:

Membership rate: £36.00

Life Members: Free

Families are entitled to a reduced membership rate of **£26.00** for the third and subsequent family member living at the same address.

Training Fees

Training fees at Loughborough will remain at **£2.50** a session for members but rise to **£5.00** for non- members.

A new annual membership card for 2017/18 will be issued to all athletes as memberships are renewed. This card will need to be produced at the track to obtain the reduced session rate of £2.50. From 1st April 2017, athletes unable to show a membership card will be required to pay the £5.00 rate. Membership cards will be available for collection from the clubhouse following renewal.

An SAE should be provided if you require your card posting.

Life members are required to pay training fees and will be provided with membership cards. They also need to complete a renewal form to ensure their details are kept up to date.

Email and Newsletter

We email athletes with information such as the newsletter, fixtures, results etc. Can athletes please provide email addresses on the membership form, entering this information as clearly as possible.

We hope you agree that Charnwood AC membership represents excellent value for money and that you will help us by renewing promptly.

Road relays and the first track and field meetings are held in April. Only those athletes who have renewed their membership will be considered for selection.
